**To the General Community Council of the
Quartz Valley Indian Reservation**

**I am submitting my letter of Intent for the open positions of either a
Board member or Member-at-Large.**

My name is Lisa Carle; I am the daughter of Fred and Dolly Case. I have a wonderful husband Don and 4-beautiful children. I am a current resident of Quartz Valley. My absolute favorite activity is doing everything with my family.

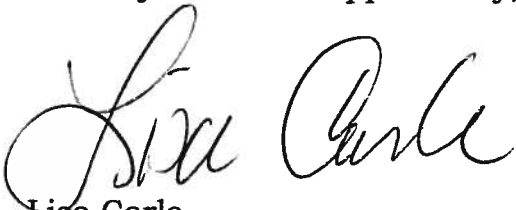

I wish to be re-elected as either a Board Member or Member at Large because I believe with experience leadership, we could continue to grow as a whole tribe. I have devoted a lot of time and dedication to my position on the board. I am an impartial and unbiased leader. I have brought a different perspective to subject matters and I will make my decisions based on the policies, procedures, rules and regulations.

I have 25+ years experience sitting on the Business Council, Health Board and Committees. I am also on the Constitution, Cemetery and Election committees, which needs to be formed and established.

Our tribe is continuing to grow; the buildings are only creating a shell for new Economic Development opportunities. This has always been a future goal; it will assist in building a stronger community and foundation. We have the opportunity to keep striving ahead and reaching all the hopes and dreams for our tribe.

I seen the beginning stages of the tribe and a lot of people worked hard to start our tribe. I hope to continue to follow in the footsteps of these amazing people and continue to grow and build for our future generations.

Thank you for this opportunity,
