QVIR Summer Internship Application 2019

The Quartz Valley Tribal Environmental Department announces a summer internship program open to high school, college, and recent graduate students. The Quartz Valley Tribal Internship program is intended to provide students the opportunity to develop skills and knowledge through a hands-on experience benefiting both the Tribal government and the student. The internships are full part-time, paid positions lasting from July 1–August 9, 2019.

Description of duties:

The selected intern will participate in water quality & forestry related projects. The students will shadow our field technicians conducting water quality data collection, noxious weed removal, forestry plot inventory, and participate outreach events.

The selected individuals will work a maximum of 32 hours each week. Start and end times may vary depending on the assigned task.
