

Institute for Tribal Environmental Professionals 2020 Student Summer Internship

Apply now for a paid 8-week summer internship.

Spend your summer working with tribal organizations to address tribal environmental issues. The internships have a **technical, educational or policy** focus. We are offering **8 positions in air quality**. The internship program provides each student intern with a \$4,000 stipend, and limited housing and travel allowances. Host sites are selected from tribal environmental organizations, government offices, the US Environmental Protection Agency (USEPA) and others.

Eligible students must meet the following:

- US Citizen
- Identify as Native American/Alaska Native
- Full-time undergraduate or graduate college student during Spring 2020 (12 hours undergrad, 9 hours grad) at any tribal college, college or university
- Have at least a 2.5 cumulative GPA
- Majoring in an environmental or related field like science, engineering, planning, policy, law, management, political science, anthropology, or health
- Interested in pursuing an environmental career after graduating
- Proficient verbal and written communication skills
- Strong interest in working with Native American tribes or topics

Please register at nau.edu/itepinterns for more information.

For details about how to apply see website. You can view host site descriptions and submit your preferences for the host sites you find interesting after January 24, 2020.

Deadline: February 28, 2020
